Such notification of negotiations shall be given not later than October 1 of the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all members of the unit, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board.

### ARTICLE III GRIEVANCE PROCEDURE

#### A. Definitions

1. A grievance is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of a teacher or group of teachers.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

#### B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may from time to time arise affecting the welfare or terms and conditions of employment of teachers. Both parties agree that these proceedings will be kept as

informal and confidential as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with the appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement.

**C. Procedure**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
3. LEVEL I. A teacher with a grievance shall first discuss it with his principal or immediate superior with the objective of resolving the matter informally.

A grievance to be considered under this procedure must be initiated by the teacher within thirty (30) school days of its occurrence. A decision shall be made within five school days after presentation of the grievance at this level.

LEVEL II. A grievance may be filed with the Superintendent within five school days after the decision is made at Level I. The Superintendent shall render a decision within five school days after receiving the written grievance.

**LEVEL III.** A grievance may be filed with the Board of Education within five school days after the Superintendent's decision. The Board of Education shall make a decision of the grievance within thirty school days after receipt of the grievance.

**LEVEL IV.** A grievance may be submitted to advisory arbitration within ten school days after the Board of Education's decision.

**D. Costs**

The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

**E. Representation**

Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. Such procedure concerning representation shall not apply at Level I.

**F. Reprisals**

No action of any kind shall be taken by the Board or by any member of the administration against any party in interest, any building representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

**G. Group Grievance**

If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Level II. The Association may process such a grievance through all levels of the grievance procedure.

**H. Miscellaneous**

1. All unsatisfactory decisions rendered to the

aggrieved persons at Levels I, II, III and IV, shall be in writing, setting forth the decision and the reason or reasons therefore, and shall be transmitted promptly to all parties in interest and to the Association.

2. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of the participants.
3. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this procedure.

#### **ARTICLE IV TEACHER EVALUATION**

All teachers shall be evaluated by their superiors as often as deemed necessary during each school year, to be followed by a written evaluation report and by a conference between the teacher and his immediate superior for the purpose of edifying any differences, extending assistance for their correction and improving instruction. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher.

Teachers shall be evaluated only by certified persons who have received certification from the New Jersey State Board of Examiners to supervise instruction.

A teacher shall be given a copy of any evaluation report prepared by his evaluator at least one day before any conference to discuss it. No such report shall be submitted to the central office, placed in the teacher's file or otherwise acted upon without prior conference with the teacher. No teacher shall be required to sign a blank or incomplete evaluation form.

**ARTICLE V**  
**VOLUNTARY TRANSFERS AND REASSIGNMENTS**

The Superintendent shall, as soon as practicable deliver to the Association and post in all school buildings a list of the known vacancies which shall occur. Notice and posting of vacancies shall be made between September 1 and June 30 of the school year.

Teachers who desire a change in grade and/or subject assignment or who desire to transfer to another building shall file a written statement of such desire with the Superintendent. Such statement shall include the grade and/or subject to which the teacher desires to be transferred, in order of preference. Such requests for transfers and reassignments shall be submitted within ten days after notification of a vacancy. Such requests for transfers and reassignments for the following school year shall be submitted no later than May 1st of the school year and shall be considered active until the 1st day of the following school year.
